Synopsis:

Added: August 29, 2007

This notice is being publicized in accordance with Federal Acquisition Regulation (FAR) 5.101 requiring Contracting Officers to disseminate information for proposed contract actions expected to exceed \$25,000. Further in accordance with FAR 6.302-1 it is the intent of the Drug Enforcement Administration (DEA) to make award to the Harris Corporation.

The intended order provide over the air cellular tracking systems compliant with Communications Assistance for Law Enforcement Act (CALEA) designed for tracking and decrypting GSM cellular phones. The Harris Porpoise system is the only laptop-based, GSM Silent SMS Monitoring System with Network and Handset capabilities currently available. Harris Corporation is the only source and distributor of the Porpoise System. The Harris StingRay system w/FishHawk GSM Intercept S/W upgrade is the only portable standard + 12VDC powered over the air GSM Active Key Extraction and Intercept system currently available. Harris Corporation is also the only source and distributor of the StingRay system plus Fish Hawk GSM Intercept S/W upgrade, training, and maintenance.

As a result Harris Corporation is the only responsible source to provide the necessary equipment to support DEA's Office of Investigative Technology.
