LEGEND
The Java Series
The Java Series is supported, endorsed, and authored by the creators of the Java technology at Sun Microsystems, Inc. It is the official place to go for complete, accurate, and definitive information on Java technology. The books in this series provide the inside information you need to build effective, robust, and portable applications and systems. The series is an indispensable resource for anyone targeting the Java 2 Platform.

For code samples and errata supporting the books in the Java Series, see:
http://java.sun.com/Services

For the latest on the Java 2 Platform, see:
Standard Edition, technology page
